

The Calling – Influential People

INFLUENTIAL PEOPLE

Some people think that they will automatically become an adult just by getting older. Getting older does not guarantee that you will become a healthy, mature, fully-functioning adult. Emotional, social, intellectual and spiritual growth are equally important in reaching adulthood. Maybe you do not yet understand these other four areas of growth but during this year you will certainly develop in each of these.

You are fortunate this year to have a number of people willing to guide you along this journey of growth. As your teacher I feel privileged to be a part of your growth this year and I also want you to know that you will be part of my growth.

At the Calling Ceremony you will be invited to join your fellow Yr 9 students on the exciting path of The Rite Journey.

In preparation for this ceremony you will be reflecting on your growth so far and the people who have been a major part of your life.
